## 2017 Tax Collector's Report

The Board of Selectmen issued warrants for the collection of 2017 property taxes in the amount of \$2,623,767.00. Tax Collector remitted to Town Treasurer \$2,422,906.17 in 2017 tax payments, 92.3 % which is about the same as 2016 92.5%. The Town received prepayments on 2018 Property taxes in the amount of \$63,582.00.

In addition I received a warrant for 2017 Yield Taxes in the amount of \$21,357.75. On 12/31/2017 the balance due on 2017 yield taxes was \$0.00.

I will mail the delinquency notice for the 2017 Taxes in early February, 2018 to delinquent taxpayers alerting them to their delinquency and to notify them of the lien date for 2017 Taxes: August 6, 2018.

All properties with uncollected 2017 taxes on August 6, 2018 will receive a Tax Lien regardless of the amount of taxes. Liens are an expensive proposition – 18% interest plus various fees. Please pay.

The unpaid Tax levy of 2015 is scheduled for tax deeding on October 29, 2018. I recommend that those taxpayers start paying off immediately and contact me with their plan as to how they are going to deal with their tax debt. Having a plan places you in a stronger position when a tax deed decision has to be made.

In 2017, 36 real estate liens for the levy of 2016 were executed. 5 Tax payers were scheduled for Tax Deeding. 3 Waivers were issued to the Tax Collector by the Board of Selectmen for payment plans and 2 Tax Deeds were executed.

Please note: Tax Deed waivers can be rescinded with a thirty day notice and only the act of executing a tax deed to the Town of Acworth is waived. All back taxes and interest stay in effect.

Payments are entered as received on the day of the postal cancellation. You do not have to wait for a Monday to see me personally. Payments can be dropped off at the Town Offices, but I prefer that you put your payments in the mail. If everything else fails you can call me to make an appointment for when it is convenient for you.

New this year: The tax bill has been redesigned. The black borders have been eliminated. The Tax Bills “look” very friendly.

Thank you, taxpayers for your prompt payments, your cooperation and your good cheer.

Marianne W Nevelson  
Tax Collector

## 2017 Town Clerk Report

I want to take the opportunity to list some of the services available at this office for those of you that may be new in town. I am responsible for registering and titling vehicles. I complete marriage license applications, process birth, marriage and death certificates, file wetland permit applications, pole licenses and dog licenses. I accept voter registration forms, mail absentee ballots, prepare the town ballot and administer the oath of office to any newly elected or appointed Town Official. Notary Public services are also available. There is more information as well as various printable forms on the Acworth website at [www.acworthnh.net](http://www.acworthnh.net).

My office hours are Wednesday from 4:30 p.m. to 7:00 p.m. and Saturday morning from 8:00 to noon unless posted otherwise. If I close the office during these hours, I will post this information ahead of time either in the Acworth Community Newsletter, at the Acworth post office, the Acworth Village Store, town hall office and on the Town Clerk website.

It will soon be time to renew your dog licenses for 2018. The 2017 license will expire on April 30th. Beginning June 1<sup>st</sup> a \$1.00 per month late fee is assessed.

As a reminder, there is the option of renewing your registration and/or dog license or apply for a vital record copy on the Internet. To do this, go to the Acworth website, scroll down and select the appropriate icon and follow the step-by-step instructions.

You will need to make out two checks for vehicle registration and print out the confirmation. Make out one check to The Town of Acworth and the other to The State of NH DMV. Mail the confirmation in with your checks and keep a copy for yourself until you receive your registration in the mail. You are able to renew your registrations up to four months in advance.

Be sure to check out the town website at [www.acworthnh.net](http://www.acworthnh.net) if you haven't already. We have added a lot of new information this year.

For everyone's safety, the office may be closed during inclement weather, if you are unsure or have any questions, please call the office at 835-6879.

Respectfully submitted,

Charlotte Comeau

## 2017 Selectmen's Report

During 2017 the Selectmen oversaw replacement of the bridge on Allen Road and the 1983 grader, paving on Crane Brook Road, updating of employee and safety policies, what is hoped will be the end of the Connecticut Heights Road junkyard compliance matter and provided support to the Sestercentennial Committee's gala celebration.

Although both the Allen Road Bridge and Crane Brook Road paving were contracted for with outside companies, satisfactory completion required attention from the Board and Highway Supervisor Ed Babneau. Projects the size of those require on the ground monitoring despite competent contractors. That daily monitoring fell largely to Ed who reported back to the Board on a regular basis.

Safety was brought starkly to the forefront by a fatal accident suffered by a contractor working for the Town in June. Although responsibility has remained with the contractor the incident caused the Board and Highway Department to reexamine Town equipment and training. That incident and other matters which surfaced during the year resulted in a review of job descriptions, employee standards of conduct and drug testing. While recent years have been characterized by personnel changes the end of 2017 was notable for a crew which works well and conscientiously together.

The 5 year old issue of an unlicensed junkyard on Connecticut Heights Road is poised to be resolved in January 2018. Following court appeals of each step in the process, the Town expects to be in the position of overseeing a cleanup with the property owner.

The Board offered its support and its appreciation to the Sestercentennial Committee for carrying out a yearlong plan to help the Town honor its history. While events marked each month the August parade and fair exceeded all of our hopes and expectations. It was a testament to the talents and cooperative spirit of all Acworthians.

David Goodwin resigned from the Board effective January 8, 2018 due to personal reasons. State statute outlines that the remaining Selectmen appoint someone to fill the vacancy until the next election which occurs with the March Town Meeting. At that time the appointee and any other resident who has filed for the position will be voted in for a three year term. Selectmen are charged in State statute with oversight of the prudential affairs of the Town. This includes authorization of payments, establishing Town policies, oversight of departments and assessing, and building permitting. It often requires more than many realize. The Town is fortunate that residents come forward to participate in its government.

Acworth Board of Selectmen, Frank Emig and Jim Jennison

## 2017 Highway Department Report

The Department maintained the gravel roads and monitored and worked around the edges of replacement of the Allen Road Bridge and scores of culverts and the paving on Crane Brook Road.

We suffered a major setback following the fatal accident to one of the Town's outside contractors in June. Aside from the emotional stress of an incident like that we looked at all of our own equipment and procedures and made some seriously needed upgrades. The crew attended a multi-day safety course and recommitted to the practices which keep us all safe working around heavy equipment and earth moving.

Despite the best engineering both the Allen Road Bridge and Crane Brook Road paving required work on our part. At Allen Road paving gaps needed filling and guardrails correctly situated. On Crane Brook preliminary culvert work and follow up negotiations for shoulder work all took time.

Our biggest challenge all year involved equipment failure. There was not a week in which one truck or machine was not in need of work in our garage or an outside repair shop. All of this takes time away from actual work on the roads and costs the Town money. Our parts and repairs budget was almost double what it should have been in 2017. Because of that and because the Town received extra State Highway Block Grant money in 2017 we hope to replace two of our most unreliable trucks in 2018.

On the bright side Earl Kathan came on late last winter and devoted time to taking and passing testing for a trailer endorsement to his CDL license. This allows us to move our equipment without outside help. In addition to helping with plowing Scott Sanchas has worked on a number of vehicle maintenance projects in the garage which saves time transporting and Lester Tallman rejoined the crew this winter. Lester has worked for the department before and knows our equipment and plow routes. Rodney Dupuis and Bob Stocker have stayed with us as summer seasonal help.

We can't not mention the new grader. With help from Brian Clough we were able to evaluate it before buying. We said goodbye to the 1983 grader and have had good luck so far with the new to us 2005 John Deere.

The Garage phone hasn't changed, 835-6866. The messages are checked regularly and requests are addressed as soon as possible. We all appreciate your support.

## 2017 Library Trustees Report

The Acworth Library held its second annual chocolate event in February of 2017, featuring chocolate — lots of treats and decadent desserts! All who entered the contest were awarded with a cookbook chosen by Susan Metsack, Head Librarian. The attendees and chocolate makers enjoyed two hours of chocolate, chocolate and more chocolate!

We welcomed Alva Grant to the Board of Trustees, she was elected in March. In April a new librarian joined our staff. If you have not already made her acquaintance, please stop in to meet Andrea Alderman. Linda Thomson- Mohr and Nancy Fitz-Rapalje continue to fulfill their roles as librarians as well. Tanya Holt keeps our Library clean and beautiful. The Trustees thank all our staff for their continued service to our patrons.

Our Annual Book Sale was held in July and coordinated well with the Acworth Sestercentennial Celebration. We raised \$900 and look forward to another successful event in July 2018. Book donations are always appreciated for this sale. We will begin collecting donations in June of 2018 for this year's sale.

The Library one again held a Summer Reading Program for children and young adults. All participants in the summer program were given the gift of a book to thank them for their participation and for their love of reading. A closing event was held on the lawn of the Library in August where the participants played old-fashioned games. Both Andrea Alderman and Jennasys Porter assisted with this event.

Our Library collection continues to grow in all categories. It is the core mission of the Library to provide information and entertainment through books. We love to promote reading to all audiences, adult and children.

We thank everyone for their patronage. Please stop by for a book recommendation. We look forward to seeing you at one of our 2018 events.

Acworth Silsby Library Trustees,  
Guy Russell, Melinda Loiselle, Alva Grant, Betsy Snider, Jennifer Aiken

## 2017 Librarians' Report

The Acworth Library had 3808 visits from patrons and visitors in 2017 and added 25 new patrons. We circulated 4544 books during the year and continue to add fiction, non-fiction, children's books and DVDs to our collection monthly.

We had 409 patron visits for computer use in 2017. We have a high speed DSL internet connection and computers for public use as well as a wireless connection. Patrons use our computers for a variety of activities such as checking e-mail, job hunting, working on school homework, researching hobbies and interests.

The Acworth School students and teachers visit the library weekly during the school year. Again at Halloween, we gave each student a book as well as treats.

We had a summer reading program in which 25 young readers participated. Each participant received the gift of a new book from the Library. We hosted a party in August featuring games and crafts from "the olden days".

We have two Reading Groups meeting monthly. One group reads classics and the second reads general fiction. The groups meet on Sunday afternoons and new members are always welcome.

Our annual Book Sale was held in July, raising additional funds for the Library. We thank all who participated either by donating or purchasing books. We have an on-going book sale set up in the small meeting room of the Town Hall. Please check it out. In 2018, book donations will be accepted at the Library after June 1st.

We are an active member of the Nubanusit cooperative, which provides a collection of movies that rotate bi-monthly among 22 local libraries. Patrons borrowed 75 Nubanusit DVDs during the past year.

Inter-library loans (ILL) continue to be a popular way for patrons to read books not owned by our library. We have access to books at all NH libraries and many of the NH college libraries. A total of 693 books circulated via the ILL system.

We thank our patrons, volunteers and all who assisted us throughout the year. Susan Metsack, Linda Thomson-Mohr, Nancy Fitz-Rapalje, Andrea Alderman, Librarians;

## 2017 Cemeteries Report

The Acworth Cemetery Trustees and Sexton met monthly between April and November during 2017 to manage cemetery maintenance.

Sexton Kris Fenderson handles lot sales and answers questions about burials. Acworth residents and former residents may purchase the right of interment in the Hill Road cemetery. A six by twelve foot lot, adequate for one full-body burial, costs \$400, and a twelve by twelve foot lot (space for two full-body burials) costs \$550. A twelve by twenty-four foot lot is priced at \$1050. Three sets of cremains can be interred in the space normally taken by a single full-body burial. These prices include cemetery maintenance and the \$200 cost of four stone corner markers, incised with the family initial, purchased from the Keene Monument Company. Cornerstones must be installed within 90 days after the lot is purchased. A stone with the name and dates of the deceased must be installed within six months of a burial. Plantings of shrubs or flowers are not permitted, as they hamper mowing and may overgrow or overshadow adjacent lots. Artificial flowers and decorations must be removed by May 1<sup>st</sup>.

Our budget for 2018 reflects a decrease of \$1,000 as compared to the 2017 budget because we spent less on lawn care than projected. Our \$5,000 tree cutting budget was spent on removing one enormous, ancient pine tree north of the uppermost driveway in the Hill Road cemetery. Firewood went to an Acworth resident who paid to have it trucked to his home. Removing these huge old trees is expensive, but monuments, once broken, can seldom be repaired in a fashion that restores their original appearance. Keene Monument Company repaired a total of 124 headstones in both cemeteries this year. About 80% of the stones in the old Nye Road cemetery have now been straightened, and the fine old slate markers reveal interesting designs and epitaphs.

We thank Michael Hulser and Debby Hinman for passing along a 1950s typescript of burial records from the 1875 Gawin Gilmore map that hangs in the town office. Our records of burials from both cemeteries are quite complete and records through the 1950s are accessible in the Silsby Library's history archives. Newer records can be obtained from the Sexton or Trustees.

Our Sestercentennial year featured a September 24<sup>th</sup> cemetery walk. Sandra Binion and John Luther portrayed Elsie and Dote Pitkin; Maria Luther-Houghton played Maude Moody, Joel Eaton portrayed a church predecessor, Reverend Phinehas Cooke; and Claudia Istel played Edna Young. Alva Grant coordinated and directed the program, assisted by Ella Brown, Mary Hildreth, and Kathi Bradt.

Acworth's antique horse-drawn hearse is now visible in the newly restored horse sheds belonging to the Church. Ken Christie and his crew have done handsome work restoring the sheds and transporting the old hearse from the Del Genio's barn where it had been temporarily stored. We hope to raise funds for hearse restoration in the coming year.

## **2017 Planning Board Report**

The Planning Board is the venue for land use planning and permitting within the Town. In 2017 the Board processed applications for driveway permits, merging of lots, building on Class 6 roads and nonresidential uses of property. Some of these were only application considerations and others involved holding public hearings. In addition to such individual projects the Board also works on annual planning through the Capital Improvement Plan (CIP), long term planning through maintaining the Town Master Plan and keeping our existing land use regulations up to date.

The CIP is developed with the Board of Selectmen and Highway Supervisor in the fall so it can be used in creating the following year budget. Over the past several years the CIP has focused on the rebuilding of Crane Brook Road. With that project near completion the 2018 CIP anticipates resurfacing work to begin on Beryl Mountain and Derry Hill Roads. The CIP also addresses large equipment investments and in 2018 that includes replacement of aging trucks in order to reduce repair costs.

The Town Master Plan originally written in 1979 is updated every 5 years. Our original plan is so comprehensive that recent updates have been in the form of addendums. In anticipation of the 2018 update the Board distributed a questionnaire in November 2017 to learn residents' current priorities. Approximately 140 questionnaires have been returned and the Board will use the tabulated results in updating the Plan. The Master Plan is our vision for the Town and all of your input is valuable. You can participate in this update by sitting in on Planning Board meetings this year.

During 2017 the Board completed its comparison of definitions used in the Zoning Ordinance and the Subdivision Regulations. The intention was to eliminate discrepancies between the two sets of definitions so that when a land use question is deliberated by the Board, the Zoning Board of Adjustment or the courts the Town has consistent grounds for its positions. The Board held a public hearing to take comment on its proposed changes and wrote Article 2 on the 2018 warrant to bring the definitions into agreement.

Board member Henry Sipple continues to serve as the Town's commissioner to the Upper Valley Lake Sunapee Regional Planning Commission. His reports keep the Board aware of opportunities outside our borders.

The Planning Board meets monthly and would welcome residents interested in becoming alternate members. It is a way to learn about the Board and its various responsibilities.  
Acworth Planning Board

## 2017 Conservation Commission

The Acworth Conservation Commission is excited to welcome two new alternates, Liz Cubberley and Jennifer Bland. In addition to increasing our expertise in wetlands and wildlife, they help us cover all areas of our town. Our monthly meetings discuss environmental issues such as water quality, forestry, and changes to our roads and bridges. Other topics this year included ATV usage in town, hazardous waste disposal, and the proposed powerline on Luther Hill. Every year we monitor conservation easements in town, some on private land, and some public: the Gove Town Forest and the East Acworth wetlands. Remember that the public lands are open for everyone's use and enjoyment.

Our members also coordinate with other area committees. Chair, Shawn Bowman, represents Acworth on the Cold River Local Advisory Council. Beverly Buxton represented the Conservation Commission in updating Acworth's Hazard Mitigation Plan; the update maintains the town's eligibility for FEMA assistance in the event of natural disasters such as fire and flood. Members attended workshops on reviewing wetland permits, water quality monitoring, agricultural easements, and the tax benefits of conservation easements.

Our budget covers registration for meetings and workshops, sharing with Unity the cost of water quality monitoring at Crescent Lake, and an annual donation to Alstead's Orchard School to help cover tuition costs for Acworth children attending summer camps.

Lillie LeBlanc and Jim Jennison staffed a display of animal skulls and conservation land maps at the Acworth Sestercentennial on August 12<sup>th</sup>. We will plant two Sestercentennial magnolias on the library grounds during spring, 2018.

Green Up Day was held on April 22<sup>nd</sup>. We are grateful to all of the volunteers who cleaned up trash along town roads, and to the Acworth Highway Department for hauling it to the dump. Many townspeople pick up trash near their homes throughout the year.

As 2018 begins, we are planning a presentation, "Understanding Bobcats in New Hampshire," in February, and an April talk on Invasive Plants. Let us know if there are other topics you would like us to host.

If you are interested in conservation, land use, and wildlife, there are a number of websites and e-newsletters you can subscribe to:

The Acworth Conservation Commission meets the second Wednesday of each month at 7 PM in the town hall. Members of the public are always welcome to attend.

## 2017 Crescent Lake Association Report

In 2017 Crescent Lake Association celebrated 85 years of serving the local community. While we have seen anticipated growth of properties around Crescent Lake and the community at large, our mission remains the same: preserving the clean waters of Crescent Lake and improving our community through engagement and community service.

During our 2017 summer season Crescent Lake continued a long standing tradition-ensuring the boating and angler community enjoyed their visits to Crescent Lake- and did not bring with them invasive species that would ultimately harm the lake and property values. Our NH Lakes Association trained “Lake Hosts”, partially funded with your support, performed nearly 1000 courtesy boat inspections, looking for “hitch-hiking” weeds or invasive animals that have found sanctuary in other lakes and bodies of water across the state and region.

We’ve learned a great deal over 85 years. First, “community action” is beyond buzzword status, we conduct numerous activities on Crescent Lake that are the foundation of our invasive species program, beyond milfoil and other pests, we swim, snorkel, paddle, test, report, test some more. Our program earned Crescent Lake Association the 2017 Secchi Disk Award by New Hampshire Lakes Association for a comprehensive and effective program. Your annual support enabled us to increase our Lake Host program and be recognized for this award.

We hope you will continue to support Crescent Lake’s environmental efforts with your funding in 2018. After 85 years, the threats to clean waters remain constant. With your assistance and our vigilance, we’re making this lake, your lake, one of the few bodies of water in the state that today remains free of invasive species. We thank you for your continued support.

## 2017 Sestercentennial Committee Report

The Sestercentennial Committee thanks everyone who helped make Acworth's 250<sup>th</sup> celebration a huge success. There was at least one celebration each month, some of them annual events and some especially honoring Acworth's Sestercentennial. Co-Chairmen, Carole Wallace and Gordon Gowen express their gratitude to the hard-working Committee and to all the individuals and organizations who helped to make 2017 a very special year in Acworth. The first event of the year was the New Year's Day Pot Luck Luncheon sponsored by the Female Charitable Society at the Church on the Hill. In February, The United Church of Acworth held "Cabin Fever Talent Night", The Females hosted "Frosty Frolics" on February 12, and the Acworth Silsby Library hosted "Everything Chocolate" on February 19<sup>th</sup>. March brought a big snowstorm and Town Meeting Day. The Sestercentennial Committee hosted a "Town Meeting Dinner", The Village Store offered Corned Beef and Cabbage Night, and the Thibodeaus held their 3<sup>rd</sup> annual St. Patrick's Day Tractor Parade and Food Drive. In April the Female's had their spring rummage sale and the store hosted Italian Night. May was the month for "Wingstock" at the Acworth Village Store. On June 8, the students and staff of Acworth Center School presented their original Sestercentennial play, "These Acworth Hills" and the Village Store hosted their annual "Music Fest". In July, the Acworth Community Charitable Trust offered a Garden Tour and Plant sale and the Library had their annual book sale.

August was the month of the big Sestercentennial Celebration. There was a concert by the Yankee Male Chorus on August 10<sup>th</sup> and the Acworth Players presented a delightful play celebrating Acworth on the 11<sup>th</sup> and 12<sup>th</sup>. The big parade, chicken barbecue and gala celebration was held on the 12<sup>th</sup>. The Female Charitable Society cooked up a roast pork supper on September 23, and a Contra Dance was held at the Town Hall on October 28. The Females sponsored a craft fair the first part of November and the Acworth Woman's Club had a special showing of Katy Haas' Acworth 250 video on November 12.

The Town of Acworth appropriated \$10,000.00 for the Sestercentennial budget. The committee is pleased and proud to announce that the cost to the Town for this celebration of historic proportion was around \$3,000.00. We couldn't have done it without contributions of money, time, and materials by individuals, families, organizations, and businesses. A special thank you to the Acworth Community Charitable Trust for a grant to cover the cost of printing the commemorative booklet. Thank you also to everyone who purchased advertising, t-shirts, posters, and other Acworth memorabilia.

It took a lot of planning, but we think that Acworth's 250<sup>th</sup> celebration was well worth the effort. The entire committee enjoyed working together to make this a year to remember. Acworth is a wonderful place to live and it was a pleasure to honor our home town with a lovely and memorable party.
